Do you have any time to chat before your webinar about the FRN and FL? John got a call from Jeaneanne about the timing of Bio Op and the actual assumption package coming to EPA.

FDEP has sent us the link to the most recent draft of their rules. I believe everyone can access from the FDEP sharepoint site but if anyone has trouble let me know and I'll download a copy and send it.

Subject: Draft rules

Hi Rosemary and Kelly,

I placed the most recent drafts here:

<https://floridadep.sharepoint.com/:f:/r/wrm/shdsvcs/FLWKGRP/EPA/Draft%20Rules/Drafts%20for%20NOPR/2-12-2020?csf=1>

Please let me know if you have questions. I still need to clean up the crosswalk by finding any dated references to the CFR and updating them like we did in the rule, but functionally it is ok.
